

## **Jacket**

What is your height?

Bust

Bra size

Measure Length from shoulder to under your bra.

Shoulder

Waist (7" under armpit)

Natural waist (smallest part of waist)

Back length- Measure from Under neck to length of jacket

Front length- Measure from shoulder to length of jacket. (Do not look down- This will affect the measurement)

Hip- (Make sure it is center of the buttocks at the largest part)

Sleeve length- From shoulder to where you want the sleeve to fall) Make sure you relax arm next to body and do not hold it out to measure.

## **Pant or leggings**

Waist (Measure smallest part of waist)

High waist (Measure 1" above belly button)

High hip measure above the largest part of the hip

Hip Measure the largest part of the hip area.

Low hip Measure below the hip area below the buttocks extension.

Inseam From inside crotch to the finish length of the pant. (We suggest to take the measures with shoes on you plan to wear with the pants so the length is accurate)

## **Dress**

What is your height?

Above Bust- Measure flat part above the bust under the armpit.

Bust-Measure at the largest part of the bust. Make sure to put tape on relax and do not pull tight. (Make sure to wear the bra you plan to wear while using the dress)

Below Bust- Measure from shoulder over bust under bra.(make sure it is under the wire)

Bra size

High waist (Measure 1" above belly button)

High hip measure above the largest part of the hip

Hip Measure the largest part of the hip area.

Low hip Measure below the hip area below the buttocks extension.

From Hip to length of dress (make sure to wear shoes you plan to wear while wearing the garment)

If you have ordered a style from the collection and fabric is in stock, order can take 1-2 weeks. Depending on the style you are requesting from us, we require specific measurements. Keep in mind the Custom process from start to finish can take anywhere from 2-6 weeks depending on if you choose a style or fabric on our website, that is in stock. If you plan to customize your fabric or zipper, work in 2-3 weeks additional to have fabrics or trimming made.
